I. OVERVIEW

30m Sunseeker

CHAOS is a 30m (98 ft) Sunseeker motor yacht offered for sale in Sydney, with a proven record in the Australian charter market and a refit completed in 2026.

Her layout suits private cruising and commercial work alike: a full-beam master cabin with natural light and a walk-in wardrobe, and four further guest cabins, all ensuite with air conditioning and TV screens, for ten guests in five cabins. A crew of four runs her.

On deck she offers several dining spaces, a sun deck bar and a hydraulic swim platform that submerges for easy access to the water and the watertoys. Interiors are finished in warm, soft tones with entertainment screens throughout.

CHAOS has operated in the Whitsundays through the southern winter and on Sydney Harbour and Pittwater in summer, and comes to market as a turnkey platform for an owner or a charter operator.
