I. HERITAGE

An Australian charter success story

MISCHIEF is a rare and iconic 54m Baglietto - an Australian charter success story and a proven South Pacific voyager. Holding the largest AMSA commercial survey in Australia, she is certified for 200 day guests and 12 overnight guests in 6 cabins - no other yacht in the region comes close to this capacity or capability.

Owned by the same discerning Australian owner for over a decade, MISCHIEF has been maintained to the highest possible standard with rigorous annual maintenance and three major refits, the most recent being a A\$15,000,000 rebuild completed in 2024. No expense was spared in reimagining her interiors, upgrading technical systems, and enhancing her exterior lifestyle spaces.

This incredible transformation earned MISCHIEF a nomination in the 2025 BOAT International World Superyacht Awards (Refit Category) - a true testament to the calibre of her reinvention.
